## Crime Scene Investigation

Scene Examined: 1500 Block of  
South Blount St.  
Raleigh, N.C.

Date: September 26, 1991

Hours: 1:20pm - 2:25pm

## Procedure

In response to an assignment for crime scene assistance from Assistance Supervisor Ted Taub, the writer traveled to the 1500 block of South Blount Street. After a briefing on the case by the investigators, <sup>a bloodstain</sup> ~~an~~ examination was conducted on the pavement around the victim's body and of the victim's body. Dripping stains were noted to the west of the body. No stains of interest were noted on the victim's body. After this examination the writer returned to his duty station.
